The North Country Reads Project

Hundreds of communities across the country have "one book" programs, which encourage the whole community, to read and talk about the same book. The pro-

grams foster literacy and promote meaningful discussion across the population, as well as put a positive face on the community.

North Country Reads is one such project, focused on one book per year, and involving the communities of Jefferson, Lewis, and St. Lawrence counties. In *North Country Reads'* inaugural year, 2006, *A Northern Light*, by Lewis County native Jennifer Donnelly, was chosen as the first selection.

A Northern Light, is a coming of age story set against the backdrop of the scenic Adirondacks and a true-life 1906 murder that shocked the nation. The novel is narrated by Mattie Gokey, a young woman who longs for more opportunities than her tiny hometown of Eagle Bay can give her.

Visit www.northcountrypublicradio.org for more information about this worthwhile project.
